SUBJECT.

Representation of Mr. B. T. Rampuri for the restoration of his proper rank among acting Assistant Commissioners

States that Govt. regret that it is not possible to reconsider the orders already passed in this behalf.

CB 3 T] Hg. Assistant Commissioner of Co-op

Letter No. 142 dy 5th July 1934 from the Registrar of Co-operative Societies in Mysore, forwarding for favourable consideration a representation of Mr B.T. Kempanna Assistant Registrar of Co-operative Societies to his proper rank among Acting Assistant Comrs confirmed.

Subd for orders

KmR 10/7/1934 H CB. File no. 64-33 (1-2) leading to the appointment Mr B.T. Kempanna as Assistant Registrar of Co-operative is put up

KmR 20/7/34 2 Accts Gen f.o. leading to his appointment as Acting Assistant Comr is also put up, as the original file has been separately put up.

KmR 20/7/34

3) Mr B.T. Kempanna was included in the list of Candidates eligible for appointment as Asst. Com in April 1933 — in Part A of the list i.e. Seniority list. He was placed in the list just below Mr G. Srikan

4) Mr Kempanna was appointed Assistant Registrar of Co-operative Soc in December 1933 in a vacancy intended to be filled by an Asst. Co

But as his turn for promotion to the grade of Assistant Commr was not yet due by then, it was ordered that he might do the duties of Asst Registrar on his own pay (as Amildar) & would be regarded as Asst Commr doing duty as Asst. Registrar when his turn for appointment as Asst Commr came. In accordance with this decision, though he was appd. Asst. Registrar from 21.12.33 he continued to retain the Amildar's rank until 20.3.34 from which date he was promoted as acting Asst Commr — his immediate senior Mr. G. Srikantaiya having been promoted to the grade of Asst. Commr. from that date.

P

A

The prayer of Mr. B.T. Kempanna is that he may be considered to have been acting Asst. Commr from 21.12.1933 alone as he has been doing the duties of Asst. Registrar since that date. As the post of Asst. Regr is counted against the Civil service there seems to be financially no objection to give him the rank of an Asst Commr from 21.12.33, if Govt. deem fit to do so though this will have the effect of giving him a higher rank than Mr. G. Srikantah now considered his senior.

There is a Vacancy of A.C. available from 21.12.33

Serial No.

~~in the list of ~~ Asst. Commrs ~~is a separate one~~.

6) As regards his rank in the list of Asst. Commrs, Mr. B.T. Kempanna urges ~~that~~ his claims for inclusion in the eligibility list at a much earlier date. The Civil List shows that his rank in the Amildari list is above Messrs. N. Puttarangaswamy & M. Ramaswamaiya who also started as Rev. Probs like Mr Kempanna. Mr N. Puttarangaswamy was however selected in the ~~first~~ first batch of men for the "Special selection list" in 1931, & Mr Kempanna was not chosen for that list ~~then~~ on that occasion ~~for the post~~, but was chosen for the "A Seniority List" in April 1933. Mr. Kempanna thinks that his omission on the earlier occasions might be due to ~~an~~ some unfavourable impression about his work at Davangere, ~~Tiptur~~ and ~~Chitaldrug~~ he attempts to explain that this was not justified. The Confidential Reports regarding the work of the officer are put up for ~~his~~ ~~letter~~. His request for higher rank for orders.

In this connection it is also submitted that the post of Asst. Registrar (occupied by Mr Kempanna) is not now formally included in the cadre of the Civil Service. It has come to be regarded as a Civil Service charge, in lieu of that of Deputy Registrar which was all along (till recently) occupied by a Civil Service officer though it had not been formally included in the C.S. cadre. To bring the position in consonance with existing conditions, the post of Asst Registrar may be included in the cadre itself formally.

The points for orders are:—

B

(1) Regret of Mr B.T. Kempanna for being treated as "acting" Asst. Comr" from date of his appt. as as Asst. Regr i.e. from 21.12.33 - instead of from 20.3.34

(2) Giving him a higher rank in the cadre of Asst. Comrs.

(3) Including one post of Asst. Registrar in the regular cadre of Asst. Comrs. Please speak.

Mr. Kempanna's registration amounts to a request for a reconsideration of the decision of Govt. on his result in the Asst. Comr's eligibility list. The order of selection was decided in Council after a careful consideration of the merits of the candidates & a reconsideration does not seem to be necessary. The idea was that he was both an Asst Regr C.S. with the status of an Amildar until he can be reached his turn for an Asst Comr's place.

Sir,

I have the honour to forward, herewith, for favourable consideration of Government, a representation from Mr.B.T. The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE.

Respected Sir,

I offer my grateful thanks to Government for appointing me as Assistant Commissioner from 20-3-1934 in Government Order No.3242/C.B. 140-33-3 dated 17th April 1934 and beg to make the following humble representation for the kind consideration of Government.

I was entertained as a Revenue Probationer in October 1923 and have put in 11 years of approved Service as Amildar of Taluks and Chief Officer, Davangere Municipality. My permanent Rank in the Amildari list is above that of Mr. Puttaramaswamy who was appointed as Assistant Commissioner in 1932 and several others junior to me who were subsequently promoted to the same grade earlier than myself. I beg to submit that by some unfortunate circumstances my promotion was delayed in spite of the fact that throughout my service I have always strived to carryout the duties entrusted to me most loyally and honestly without sparing myself in the least. I herein enclose a copy of my representation submitted through the Deputy Commissioner, Shimoga District to the Revenue Commissioner on 13-9-1932, for kind reference in this connection

I am led to believe that the omission to include my name then in the list of Assistant Cimmissioners was due to want of a report as regards my work in the Davangere Municipality. I had been specially deputed to that Municipality as Chief Officer and I had done good work to be worthy of the

of the confidence placed in me. I had

(1) Collected about 50,000/- arrears out of Rs.53,000/- that was outstanding at the time I took charge in March 1928.

(2) Placed the collection work on an efficient basis by revising the (a) Mohatarfa, (b) Professional taxes.

(3) Improved the finances of the Municipality to the extent of about Rs.50,000/- by

(a) The Revision of Mohatarfa and Professional taxes

(b) The Modification of the Toll Byelaws.

(c) The Levy of Market fees.

(d) The formation of a cooly colony and levy of rent on each dwelling.

I also expedited Schemes of Financial Improvement such as:-

(i) The formation of the Sewage Farms.

(ii) The construction of Stall by Acquiring the Andanoor Chowk.

(iii) The formation of Extensions.

These Schemes were about to mature when I had to leave Devarkere under unforseen circumstances. These Schemes would have fetched another 15,000/- permanent income.

(4) The sale of the sites in the Extension would have brought an income of more than a lakh of rupees and this amount was intended to be ear-marked for the improvement of the Water-supply of the Town.

5) (a) Carried out the following Town Improvements by

1) Removing the ugly sheds about the Railway Station and in the midst of the Town and accommodated the inhabitants thereof in the newly formed cooly colony.

2) Placing the drainage in ~~xk~~ an efficient condition ~~by~~ introducing underground drainage Scheme and by improving the Conservancy lanes.

3) Removing the congestion in the Town by the formation of the Extension and the cooly

Cooly Colony.

Improving the beauty of the Town by:-

(a) Removing the several encroachments in the Town.

(b) Forming Circles, Planting trees and improving the roads.

These are facts that still exist. I represent the same may kindly be verified if considered necessary. The President of the Municipality Mr. S. Abdul Khalak was about to submit a report of the work done by me but this was made impossible on account of the occurance of the Second Davangere Disturbances A report may be even now called for from that officer if deemed fit and verified.

I further submit that my work regarding village and Town Improvements at Hoskote were much appreciated by my Superior Officers. I also venture to state that I had to copg with a very difficult situation at Shikarpur in connection with the No-tax Campaign and Government are aware as to how I have acquitted myself in this connection.

In the above circumstances, I request that I may be saved the humiliation of being supersided by my juniors in service by promoting me to the grade of an Assistant Commissioner from the date of my appointment as Assistant Registrar i.e. 21-12-1933 and restoring me to my proper rank among the Acting Assistant Commissioners and confirmed.

I beg to remain,

Copy of Representation made to the Revenue Commissioner in Mysore, C.P. Rajagopalachari, Esq., B.A., B.L., through the Deputy Commissioner, Shimoga District on 12-9-32.

" I beg to represent that deeming that efficiency and good character are the hall-marks of promotion in service I have strived hard to show satisfaction in my work ever since I joined Government Service as a Revenue Probationer in October 1923. After the period of my probation, I was posted to Arakalgud Taluk as Amildar in December 1925. The Land Revenue collections in this Taluk was bad and varied from 87% to 89% ever since the introduction of Resurvey in the Taluk in 1922. Within an year, I was able to show progress and the percentage of collections came up to 94% during 1926-27.

In February 1928, I was selected a Chief Officer on the speical recommendation of the Deputy Commissioner, Chitaldurg District. During the short period of one year and three months stay at Davangere I devoted myself, heart and soul so as to show tangible improvement in all branches of the Municipal Administration. A sum of Rs.52,000/- was outstanding as arrears (Mohatarfa and other taxes) since 1919-20. From the outset, I pushed through the collection work vigorously and collected a sum of Rs.49,000/- leaving a small balance of about Rs.2000/- to be either collected or remitted according to the merits of the case. During this period the revision of Mohatarfa and Professional taxes which fetched a net <u>increase</u> of about Rs.20,000/- and also gave general satisfaction was attended to. Besides the modification of the Toll Rules the formations of the extensions and the cooly colony and the sanctioning of the Market Byelaws was expected to give another increase of Rs.20,000/- to the Municipality. Thus I tried to reduce the arrears and also enhance the finance of the Municipality.

The Town Improvements, the removal of ugly sheds in the town, the formation of the cooly colony and the extensions, the sanitary improvements, the Drainage system, the introduction of powerful lights gave general satisfaction to all. The clearance of the 10 years encroachment of a furlong of good-shed abandoned road by Maganalli Shadaksharappa and Thambaku-pet road encroachments by Bondavade Thukkappa, Municipal Councillor and the xxxxx recovery of more than a thousand rupees of Mdhatarfa arrears outstanding against them since several years was viewed with great pleasure by all. My strong actions regarding the demolition of unauthorised constructions and the removal of long standing encroachments of roads and Government lands under Section 96 and 122 of the Municipal Regulations was much appreciated both by my superior Officers and the law-abiding public.

I was thus able to discharge my duties satisfactorily thanks to the kind support and guidance of the President Mr. Abdul Khalek and the co-operations of the Municipal Council.

The duties of my office in this place required great tact, energy, courage and honesty of purpose and I leave it to my Officers to certify as to how I was successful in exhibiting these qualities while attending to my duties.

The Revenue Commissioner was pleased with my work and wanted me to come back to the Revenue Department. I learn that he wrote to the Deputy Commissioner and when intimated that my services were necessary at Davangere he permitted me to continue as Chief Officer as I was more useful as such.

We had an ambitious programme for the improvement of the town and its finances. But providence intervened and the unfortunate second Davangere disturbances occurred. In these disturbances, I was absolutely innocent but owing to wily misrepresentation that I supplied guns and ammunitions the

the excited mob made a murderous assault on me and I had to leave Davangere three days hence after ascertaining that my presence was unnecessary and further stay risky.

But the best part of the work had been attended to. The arrears had been cleared up and the collection work was put on an efficient basis by the revision of Mohatarfa and Professional taxes. The finances also had been improved by the revision of taxes, the formation of the extensions and the cooly colony, the revision of the Toll Byelaws and the sanctioning of the Market Byelaws.

Much had been done as regard the improvements of the town and the remaining works had been arranged to be completed within a period of five years according to a definite ~~xxx~~ scheme and programme drawn up by the President and presented by the Municipal Council in its Address to the Dewan during his tour in the Chitaldrug District.

I may here be permitted to draw reference to the representation of the Municipal Council for the sanction of a Paid President to the Municipality and the Dewan's reply that a Chief Officer of the Status of an Amildar who would be almost their President would be sanctioned and that he would be encouraged if he did good work or punished otherwise (Vide Dewan's Tour Notes, Chitaldrug District). On intimation of the improvements, I learnt that the Dewan was pleased.

I was posted to Hoskote Taluk in the second week of July 1929 and I applied myself towards the improvement of the town and the villages in Hoskote Taluk with the same zeal and enthusiasm I exhibited at Davangere. The Sub Division Officer and the Deputy Commissioner gave the great encouragement and the Dewan during his tour of the Bangalore District in 1930 observed the several improvements, such as formation

formation of approach roads, village roads planting of avenue trees and parks in villages and towns, the opening of private schools by Panchayats and stated that he was much pleased and advised me that I should keep up my enthusiasm towards village improvements.

The Revenue Commissioner who accompanied the Dewan also expressed great pleasure at the improvements effected. Sir, you were also pleased to inspect the town of Hosakote and the villages once in company with the Sub Division Officer Mr. Abdul Hukh and give very useful instructions for the better organisations of the village Panchayat activities.

The percentage of collections was 98.3 a figure slightly better than during the previous years.

From Hoskote, I was transferred to Shikarpur Taluk in May 1931. Immediately after my arrival I was confronted with a Campaign of non-payment of taxes. Thanks to the able guidance of my superior officers the Campaign was put down after a vigorous action spread over a period of six months. Government are fully aware of the subject and I beg to only to state that the collections progressed from 68% in 1930-31 to 94.78% in 1931-32. This was attended to along with the Record of Rights work and the heavy Municipal work of Chiralkoppa and Shikarpur.

I view of my honest efforts to discharge my duties as stated above, I beg to represent that my claims for appointment as an Assistant Commissioner may be sympathetically considered as I see that some of my juniors are being appointed as Assistant Commissioners while many of those that were appointed along with me have already been appointed as Assistant Commissioners."
